CAPTIVA SPECIAL ELECTION REFERENDUM REMINDER

May 21st, 2024

Precinct 116 – Sanibel Recreation Center

The bond referendum that is to be voted on during the May 21st Special Election is seeking to approve the CEPD's ability to finance a Beach Nourishment for up to \$25,000,000.

It is important to note that all funding opportunities will be exhausted before any property assessment is levied against the property owners of Captiva. Currently, the District has secured \$13.2 million in grants from the state of Florida. The CEPD is in the application process for **additional funding opportunities** to further **reduce** the residual project cost and **minimize** the burden to the property owners of Captiva.
