# **CAPTIVA BEACH RENOURISHMENT 2020/2021**

The last Captiva erosion beach nourishment project was in 2013/2014 and was a huge success; the job came in under budget, costing the homeowners less than anticipated. The next project is being designed to begin in 2020/2021. As such, a special bond referendum is scheduled for March 5, 2019. The estimated cost of the project requires approval by the registered voters of Captiva, for a bond issue to be obtained to fund the beach renourishment project.

If you aren't already registered to vote, make sure to do so. More information can be found at <https://www.lee.vote/Voter-Resources/How-do-I-register-to-Vote>.

If you will be unavailable to vote on March 5, 2019, you can request an absentee ballot until February 27, 2019. Check out more info at <https://www.lee.vote/Vote-by-Mail/Vote-by-Mail-Information/Request-a-Vote-by-Mail-Ballot>.

If you have any questions, concerns or issues, please call the CEPD at (239) 472-2472.

The Mucky Duck, prior to any nourishment projects - no beach tables, no porch area.
