Dear John:

We are pleased to confirm our acceptance and understanding of the services we are to provide for Captiva Erosion Prevention District ("CEPD") for the year ending December 31, 2025.

We will perform the following services:

**Bookkeeping Services**

Beginning with the month of January 2025, we will perform the bookkeeping function of Captiva Erosion Prevention District by recording all transactions in QuickBooks. Captiva Erosion Prevention District agrees to provide us with the following documents on a bi-monthly basis: cash receipt reports, deposit slips, purchase orders, invoices, cash disbursement reports, check stubs, bank statements, credit card statements, loan statements, grant applications/agreements, payroll reports and sales tax reports, as applicable.

We will record cash receipts from cash receipt reports, deposit slips and/or bank statements. We will not handle any cash or checks received nor make deposits. We will record cash disbursements from cash disbursement reports, invoices, check stubs and/or bank statements. All information and transactions must be coded and authorized/approved by the management of Captiva Erosion Prevention District. In connection therewith, based on the approved invoices you will have forwarded to our office, we will review all bills and invoices rendered to you and will generate checks drawn on the following checking accounts: Fifth Third Bank – General Fund and Fifth Third Bank – Capital Projects Fund. It will be your responsibility to review and sign checks. We will mail checks after they have been reviewed, approved and signed. If we are able to pay these bills through your bank's online Bill Pay system, then we will do so with your approval. However, this authority is for your convenience only and should not be construed as us assuming management responsibilities. You agree to not hold this firm liable or responsible for disbursements made in good faith on your behalf resulting from purchases made by you or contracts entered into by you for goods and services whether oral or written and whether or not fully performed. Our responsibility is simply to pay your bills as you have requested.

We will record the payroll and taxes as calculated by your payroll service provider into QuickBooks and reconcile to their monthly reports. We will not make payroll tax deposits or prepare payroll tax returns. Captiva Erosion Prevention District or your payroll service provider will be responsible for payroll calculations, returns and deposits.

Wiltshire, Whitley, Richardson & English, P.A. assumes no liability for the services provided by third-party payroll companies to its clients.

We will calculate, prepare, and electronically file, on a monthly basis, the sales tax returns from the information you provide us with on invoices and cash receipt reports. We will notify you if there is sales tax due. As you have requested and authorized, we will remit the sales tax due on your behalf. Your checking account will be directly debited by the Florida Department of Revenue when we submit your sales tax return online. You agree to not hold this firm liable or responsible for disbursements made in good faith on your behalf resulting from the preparation of the sales tax returns.

We will reconcile the following accounts on a monthly basis:

2. Payments of non-ad valorem project assessments, including payoff of assessment and Tax Collector disbursements to CEPD ledger of assessments.
3. Disbursement of ad valorem tax payments from Tax Collector to CEPD general account.

Regarding monthly bank reconciliations, upon receipt of bank statements, we will reconcile bank accounts with the bank statements for proper account balances and identify reconciling items that may require adjustments to your books and records. We will not be analyzing cancelled checks to determine whether signatures or payments are authorized or for any other purpose, but we will briefly scan them to confirm the amounts match those recorded by the bank on the statements.

We will also reconcile credit card statements and loan balances, as applicable, using the information you provide. We will make correcting entries directly into QuickBooks and identify the specific source of each adjustment. We will tell you of these adjustments and make you aware of any corrections.

We will run detailed general ledgers for you. You agree to review the general ledger and journal entries for each month and to tell us of any changes necessary in the classification or distribution of the transactions. Unless you tell us of a change, we will assume that all transactions have been properly coded and have been posted to the correct accounts. These ledgers will then be used as appropriate in the preparation of the financial statements as outlined below.

We will also prepare and electronically file the annual Forms 1099 that you request from the information you provide to us. It will be your responsibility to obtain, maintain and provide Forms W-9 from your vendors so we can properly prepare the required Forms 1099.
