### **13 Million Dollars in Beach Nourishment Funding Secured**

The Captiva Erosion Prevention District has successfully obtained 13 Million Dollars in funding from the Florida Department of Environmental Protection for Captiva beach nourishment following Hurricane Ian.

A proposal to conduct pre-construction services leading up to beach nourishment will be discussed during the Captiva Erosion Prevention District's October monthly board meeting. The timeline for beach nourishment will be established following the completion of pre-construction services as the project is placed out to bid.

Meeting information for the October monthly board meeting can be found here:
